

About UOW's Early Years Toolbox Website

The Early Years Toolbox Website located at www.eytoolbox.com.au (EYT Website) is owned and operated by the University of Wollongong (ABN 61 060 567 686) of Northfields Avenue, Wollongong NSW 2522, Australia (UOW).

EYT is a collection of iPad-based applications (apps) that are developed and offered by the University of Wollongong and made available for download via the iTunes App Store. EYT apps, and associated guidance on the EYT Website, are intended for use by researchers, professionals and educators. All EYT apps were designed to assess young children's developing abilities under the guided supervision of a trained adult. Access to and use of the Early Years Toolbox apps and EYT Website are strictly at your own risk. The information generated by and contained within the apps and EYT Website were developed and validated for the purposes described on the EYT Website (i.e., assessing specific abilities, in appropriate assessment conditions, with typically developing pre-school aged children).
